

Happy Sunday Everyone!

Anyone need peace in their lives today? Today we are going to dive into Philippians chapter four as Paul teaches how to experience God's peace.

So, here are your instructions:

1. Open your Bible to Philippians chapter 4.
2. Read verses 4 through 9. If you are with your family read this together.
3. Watch the video describing this week's experience. [Click here for video.](#)
4. If you are by yourself, bring your journal or something to write on and go for a walk. Think through John's message and answer the following questions. If you are with your family discuss what impacted you in the video and discuss the following together:
5. John taught us in the video four letters to have God's peace. Write them down. If you forgot go back and review the video again.
6. Then ask yourself, "when it comes to living in God's peace, what area am I doing well? And Why?" And go ahead and write that down.
7. Then write down which one could use improvement in your life. And why?
8. Now, what steps can you take today and in the very near future to experience God's peace?
9. Share any insights that you might have on [Waterfront's Facebook page \(click here\).](#)

'Always be full of joy in the Lord. I say it again—rejoice! Let everyone see that you are considerate in all you do. Remember, the Lord is coming soon. Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus. And now, dear brothers and sisters, one final thing. Fix your thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise. Keep putting into practice all you learned and received from me—everything you heard from me and saw me doing. Then the God of peace will be with you.'
