

SERMON ON THE MOUNT

MATTHEW 7:24-29

QUESTION #1 – If you could have perfect faith, what would that look like to you? How would it affect all parts of your life? What does “Bullet Proof Faith” mean to you?

QUESTION #2 – Of all the things Jesus taught in the Sermon on the Mount, which one is your biggest hurdle? Why?

QUESTION #3 – Think of your answer to #2. What would it take for you to do what Jesus asked you to do? How could this group or someone in your life help you with this?

QUESTION #4 – Over the last 10 weeks, we have studied the Beatitudes and the Sermon on the Mount. Which week made the greatest impact on you? Why? What changes do you need to make?

QUESTION #5 – What would your life look like if you truly built your life, your house, on the Rock?

QUESTION #6 – Spend time praying for whoever you are doing these questions with. Ask for God to give them the courage to build their houses on the Rock. Ask God to help them overcome the things that are in their way. And pray for yourself, that you would simply do what Jesus has asked you to do.
